HIGH PERFORMANCE SIDING

T Plank™ C-Series

HIGH PERFORMANCE SIDING

MAXIMIZE THE VALUE of your home with state-of-the-art T Plank™ C-Series High Performance Siding. Our premium quality, insulated siding offers the elegant look of natural wood with all the cost-saving benefits of virtually maintenance-free siding. T Plank™ C-Series requires no painting, repairing, or caulking—a commitment that we support with our **LIMITED LIFETIME TRANSFERABLE WARRANTY**. Your home will not only look its best season after season, it will save you money over time on utilities and maintenance.

T Plank™ C-Series. It's the perfect investment for your home. Available at Dixie HomeCrafters.

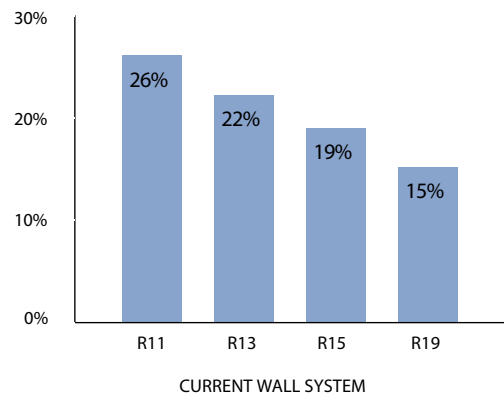

EXPERIENCE THE COMFORT

Progressive Foam Insulation is an ENERGY STAR qualified insulation product as part of the Home Sealing effort.

Your home is your refuge from the outside world, a place where you can truly relax and unwind. T Plank™ C-Series enhances that comfortable environment by **ADDING A LAYER OF INSULATION TO YOUR HOME**, which helps protect it from the extreme heat and cold. When T Plank™ C-Series is installed properly, the R-Value of exterior walls can increase by up to 26%, lowering your heating and cooling costs substantially. Revel in the comfort T Plank™ C-Series provides.

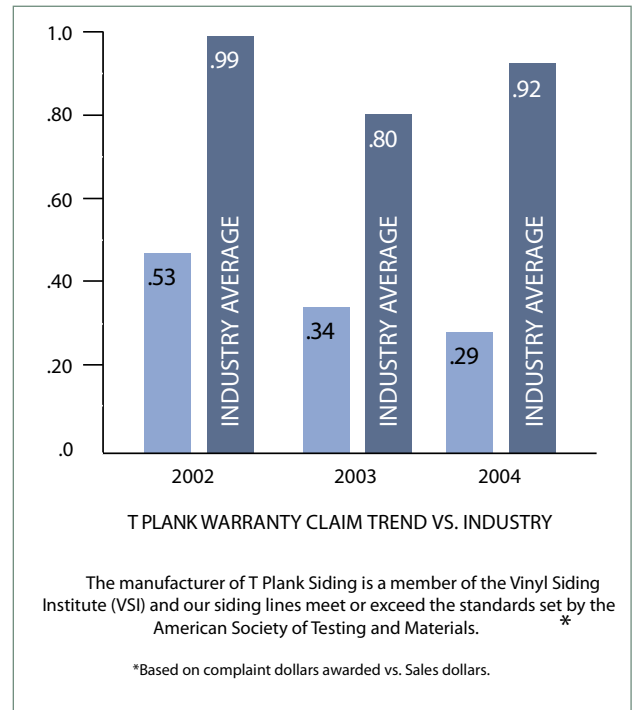

T Plank C-Series provides up to an added insulation value of R2.87 if installed properly. Based upon standard insulation in a 2 x 4 wood framed house, your wall insulation improvements may be:

T Plank is manufactured by Variform™.

T Plank™ C-Series is backed by our Limited Lifetime Transferable Warranty. Our engineers strive to create the best products on the market. OUR WARRANTY RATES ARE CONSISTENTLY LOWER than the industry average by up to 70%. Our satisfied T Plank customers will attest to the quality built into every piece that is manufactured.

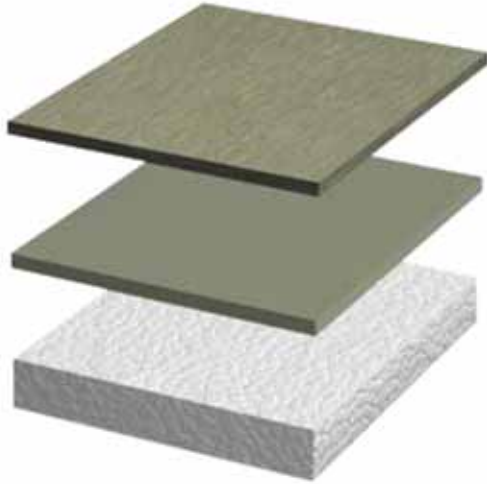

INVEST IN STRENGTH

The combination of sturdy polystyrene backing, rigid paneling materials, and superior lap design provide the [ULTIMATE IN PROTECTION FOR YOUR HOME](#). This system can absorb the shock of impact, providing additional dent resistance. T Plank™ C-Series helps protect your home from rain, sun and insect damage, it filters external noises, like wind and traffic, and provides a quieter home environment.

T Plank™ C-Series is proudly brought to you by Dixie HomeCrafters™.

T PLANK C-SERIES™ HAS STATE-OF-THE-ART TECHNOLOGY

ACHIEVE A CLEAN, CRISP EXTERIOR WITH T PLANK C-SERIES™

BEFORE

AFTER

INDULGE IN LUXURY

T Plank C-Series™ gives your home a beautiful appearance today and for **YEARS TO COME**. It never needs painting or staining. This durable product does not peel, flake, check or craze like paint. T Plank C-Series™ is the ultimate expression of virtually **MAINTENANCE-FREE HOME CARE**.

The Tru-Lap design of T Plank™ C-Series provides the **NATURAL LOOK OF WOOD** without any of its hassles. The flat face and wide 6-inch panels provide tight laps to reduce the appearance of seams and with extra-long, 16-foot panels, there are fewer seams than ever. The low gloss finish with split birch emboss reinforces the **LUXURIOUS APPEARANCE** of authentic wood siding.
